How does this Deposit Plan work?

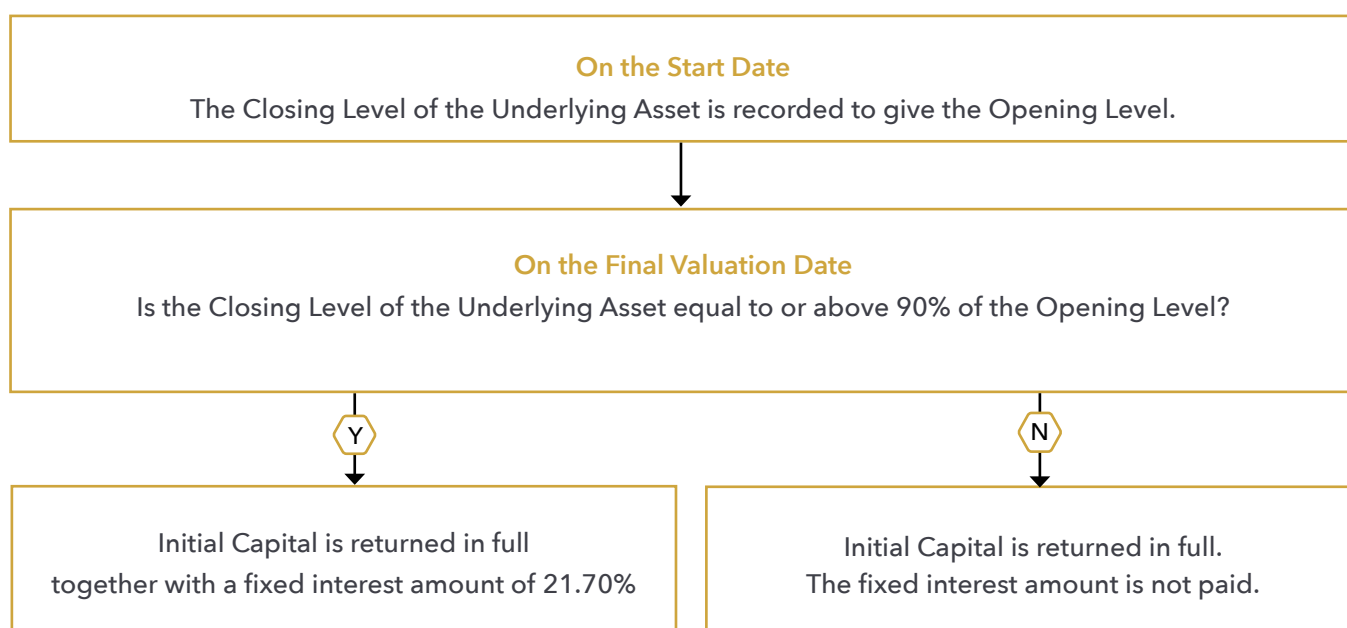

It is important to understand the features of any investment product before you decide whether to invest in it. The information set out below is to help you decide whether this Deposit Plan meets your investment needs.

Any subscription will be invested in Securities issued by the Deposit Taker, which are designed to have the characteristics required to achieve the investment objectives of the Deposit Plan.

You have the potential to receive a fixed interest amount of 21.70% on your Initial Capital: This will be paid at Maturity if the Underlying Asset, on the Final Valuation Date, is equal to or above 90% of its Opening Level. If the Final Level of the Index is below 90% of its Opening Level no fixed interest amount will be payable at the Maturity Date.

Your Initial Capital will be returned in full at Maturity, regardless of the performance of the Underlying Asset. However, the risk to your money has not been eliminated as the repayment of the amount you place in the Plan is dependent on the Deposit Taker being able to pay the amounts due from the Deposit. This is known as Deposit Taker risk.

An investor should also understand that they will not be entitled to receive the dividends that could normally be available if they had invested directly in the shares of the companies constituting the Underlying Asset.

The risk to your capital

1

Prior to the Settlement Date

Initial Capital is held by the Administrator & Custodian of the Deposit Plan in a Cash Settlement Account during the offer period, up to the settlement date (when the underlying deposit is "bought"). It is held in Client Money Accounts, with a number of financial institutions banks to reduce concentration risk. During this period the FSCS currently covers each eligible investor for up to £85,000 in the event the Administrator & Custodian or financial institutions/banks are unable to meet their financial obligations (see page 29, Compensation).

2

During the Deposit Term

Your money is held in an account with the Deposit Taker, named James Brearley & Sons Limited Client Account, until the investment matures at the end of the investment term, the Maturity Date. During this period, the FSCS currently covers each eligible investor for up to £85,000 if the Deposit Taker is unable to honour its obligation to investors.

3

After the Maturity of the Deposit

The Maturity Payment will be paid back to your Cash Settlement Account at James Brearley (Administrator & Custodian) and will be held until it is paid out to you in accordance with your wishes. During this period, the FSCS currently covers each eligible investor for up to £85,000 in the event the Administrator & Custodian or financial institutions/banks are unable to meet their financial obligations. For further information about the FSCS (including the latest amounts covered and eligibility to claim) please call 0800 678 1100 or visit www.fscs.org.uk (see page 29, Compensation).

IMPORTANT: The table does not give predictions of what we believe an investor might receive. It is designed to illustrate how the return of the Deposit Plan is calculated.

Risks involved in the Deposit Plan

Deposit Taker Risk	There is a risk that the Deposit Taker could go into administration, become bankrupt or collapse. This would mean that it could fail to make the payments due in relation to the Deposit Plan. In the event of this happening an Investor could lose some or all of their investment as well as any of the returns to which they may otherwise have been entitled.
Market Risk	Underlying asset performance may be volatile and subject to unpredictable changes over the investment term (see Underlying Index Chart, page 9). The value of your investment is affected by movements in the price of this Index. Your Investment does not directly invest in the Underlying Index, therefore you are not eligible for dividends.
Market Disruption Event	A Market Disruption event might occur, such as trading disruption, changes to an index, or changes in tax legislation. In these circumstances, the Deposit Taker has the right to determine whether any adjustments to the terms of the Deposit Plan are required. These may include, but are not limited to: adjustments to the opening/final level & substitution of the Underlying Index. The Deposit Taker is required to act in good faith when making adjustments.
Early Redemption Risk	You should be prepared to hold the Deposit Plan to Maturity. It may be possible, subject to normal market conditions and regulatory, legal and financial or other conditions of the Deposit Taker or its affiliates, to withdraw from the Deposit Plan before the Maturity Date. If you decide to encash the Deposit Plan early, you may not get back your Initial Capital (please see Liquidity Risk below).
Inflation Risk	The value of your investment and any returns you may qualify for are not linked to inflation. If inflation is high over the term of the Deposit Plan, the real value of the Deposit Plan may decrease thus affecting the real value of any returns you may receive.
Interest Rate Risk	With current interest rates, the potential interest payable from this Plan could be higher than can be achieved through a conventional deposit, but it should be remembered that a conventional deposit will almost always provide an interest payment, and it is possible that interest rates available from those arrangements can improve during the term of this Plan.
Deposit Plan Liquidity	In the event you need to withdraw from the Deposit Plan you may do so, subject to liquidity risks, by giving notice to that effect to the Deposit Plan Administrator. You may receive back materially less than you originally placed in the Deposit Plan, especially in stressed market conditions. The actual amount you receive will depend on the level of the Index, interest rates, market volatility, time left to the Maturity Date and any costs reasonably incurred for breaking the funding arrangements entered into in relation to your Deposit. The Deposit Taker has a minimum withdrawal amount of £1,000.
Liquidity Risk	Given the illiquid nature of the Deposit Plan, you should have other savings that you can access immediately to meet any emergency cash needs. You must be prepared to keep your money in the Deposit Plan for the full term. It may be possible, subject to normal market conditions and regulatory, legal and financial or other conditions of the Deposit Taker or its affiliates, to withdraw from the Deposit Plan before the Maturity Date. Should you elect to withdraw your funds early, these will be available on the settlement date stated on your contract note received from the Administrator and Custodian post your written instructions requesting a withdrawal. However there is no guarantee that you will be able to withdraw before the Maturity Date, as the decision about whether market conditions are normal will be taken by the Deposit Taker. Any repayment amount you receive prior to the Maturity Date will vary significantly over the life of the Deposit Plan and is likely to be less than the amount you invested, due to market factors such as performance of the underlying index, the prevailing level of interest rates and the perceived credit worthiness of the Deposit Taker. In addition to the above factors, you will be charged the relevant administration charges outlined in this Brochure. This will further reduce the amount paid to you on early withdrawal. The terms of the Deposit may permit the Deposit Taker to delay, reduce or withhold payments. These provisions are not intended to circumvent what is legally due to you but are intended to cover unforeseen events which affect your return from the Deposit Plan, for example, a suspension or delay in receiving prices.

Who is involved with the Deposit Plan?

Deposit Plan Manager

Causeway Securities Limited ('Causeway Securities') is the Plan Manager and will outsource the administration and safekeeping of client assets to the Plan Administrator.

Causeway Securities is an independent cross asset brokerage authorised in the UK by the FCA. We offer a personalised and independent service to source and manage bespoke structured investment solutions, exclusively designed to meet our investors' varying risk and return profiles.

We are responsible for designing and arranging the plan, working with the Deposit Taker and Counterparty Bank (who are responsible for the investments that the Plan is based on), and for promoting the Deposit Plan. We do not offer financial advice or guidance on tax issues. However, we believe it is most important to seek advice on these matters, prior to investing in this Deposit Plan.

We also arrange support for the professional advisers who use the Deposit Plan with their clients. Causeway Securities is authorised and regulated by the Financial Conduct Authority: Financial Services Registration Number 749440.

Deposit Plan Administrator

James Brearley & Sons Limited ('James Brearley') is the Plan Administrator. They are responsible for providing administration and custodian services for the Plan. When you invest in the Plan you become a client of James Brearley. This means that they have a number of responsibilities, including processing applications during the offer period, acting as your agent in buying the Plan on the Start Date, processing any payments due during the investment term and at maturity, safekeeping of the investments and any cash held within the Plan, communicating with you during the term (for example, providing statements and valuations), and providing general administration support to you and your professional adviser throughout the life of the Plan.

Fees and Charges

Causeway Fees

Causeway Securities will receive a fee from the Counterparty for arranging this Plan. The charges have been fully accounted for in the calculation of the Plan's returns and are expected to equate to approximately 2%. The exact amount can be affected by various factors during the offer period.

The fee covers the set-up, the Plan costs, as well as contributing to Causeway Securities marketing and distribution costs, general operating costs and profits.

Other Fees

Should you decide to encash, withdraw or transfer your Plan at any time during its term, an administration fee of £100 will be charged and retained by James Brearley. The fee retained by James Brearley covers the administrative and processing costs in relation to receiving client instructions, arranging the sale and settlement of your Plan, and transferring the sale proceeds to you.

Adviser Fee

Causeway Securities requires that Applications to invest in the Plan are submitted through a regulated financial adviser and the amount of any Adviser Fee payable for their service is something you should discuss and agree with your adviser.

You may instruct payment of an agreed initial Adviser Fee from the money you sent with your Application. If you want to do this, you should include the amount and instruct James Brearley in your Application. James Brearley will pay the Adviser Fee, deducted from the money you have sent, to your adviser's firm.

The amount of any Adviser Fee must be set out in your Application. If you change your mind about investing after your Application has been accepted it is likely that your Adviser Fee has already been paid to your financial adviser and neither James Brearley nor Causeway Securities will be able to return the authorised Adviser Fee to you.

Frequently Asked Questions (FAQ's)

What should I do if I want to complain?

Both Causeway Securities and James Brearley have a comprehensive complaints procedure that adheres to the principles of treating customers fairly. In the event that an Investor wishes to make a complaint, this can be made verbally, by telephone or in person, or via a written communication delivered in person, via post, e-mail or fax. In the first instance, the complaint will be handled by the Complaints Officer of the firm your complaint is addressed to, who will conduct an initial investigation and attempt to reach a fair and impartial conclusion.

If you are not satisfied with the way your complaint is dealt with you can refer your complaint, free of charge, to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR Telephone: 0800 023 4567 Website: www.financialombudsman.org.uk

Referring a complaint does not prejudice your right to take legal action.

Can I change my mind?

Yes. You have the right to change your mind and cancel your investment. You will be issued with a cancellation notice by the Plan Administrator, when they accept your Plan Application.

If you want to cancel your Application, the Plan Administrator must receive your completed cancellation notice within 14 days from the date they send it to you. Cancellation notices should be addressed to Causeway Securities limited, c/o James Brearley & Sons Limited, PO Box 34, Unit 2, Burton Road, Blackpool FY4 4WX.

If the Plan Administrator receives your cancellation notice prior to the Start Date, they will cancel your Application for the Plan and you will receive a refund of your Initial Capital (in other words, your Payment less any Adviser Fee that has been authorised).

If the Plan Administrator receives your cancellation notice after the Start Date, they will cash in your Plan and you will receive the market value of the Plan on the date that the Plan Administrator completes your cancellation instruction. This may be less than you invested, if the value of the Plan has fallen.

If I cancel my investment, what happens to any Adviser Fee?

If you decide to cancel your investment, the Plan Administrator may have already taken and paid your authorised Adviser Fee to your adviser. This means that you would need to contact your adviser to discuss whether they can return the fee to you.

What happens if the Plan is oversubscribed?

When a Plan is in the process of being constructed, an initial trade size is agreed between Causeway Securities and the Issuer of the Securities. The amount of investments received and the amount raised is closely monitored and when approaching the initial trade size, Causeway Securities discusses increasing the size of the trade with the Issuer of the Securities to accommodate any additional investments.

On occasion, the two parties may be unable to agree viable terms to increase the trade size and as a result, the initial trade size may represent the maximum amount that can be accepted into the Plan. In this instance, the Plan will be closed early and any Payments received in excess of the total trade size initially agreed will be returned to the Investor.

What information will I receive?

You will receive a confirmation note and details of the final terms of the Plan once your investment in the Plan is made. You will then receive a quarterly valuation report as at the end of March, June, September and December, along with a tax report each May, to include amongst other things a consolidated tax certificate and supporting income schedules. These documents will all be made available via the James Brearley website. Access rights to the site will be forwarded to you by James Brearley.

Frequently Asked Questions (FAQ's)

What if I have other questions?

If you have additional questions, please contact your financial adviser.

How much am I able to invest?

The minimum Investment amount allowable is £10,000. The full amount will be invested in the Plan unless you have instructed a payment to be made to your adviser as a fee from this amount. The amount invested will then be the full amount minus the adviser fee. You can invest through an ISA. For the 2023/24 tax year the ISA allowance is £20,000. The 2023/24 tax year runs from 6 April 2023 until 5 April 2024.

Can I cash in my Plan before it matures?

Yes, you may encash some or all of your Plan before the Maturity Date but take into consideration the fact that Potential Investment Returns are structured on the basis that the Plan runs until maturity. An early encashment may result in you receiving an amount that is less than you originally invested. You may encash by providing the Administrator and Custodian with your written instruction to that effect. You will be charged a total administration fee of £100 which will be charged by James Brearley. The proceeds will then be repaid to you as per your instructions or in the case of an ISA, retained in your ISA. Please refer to clause 9 of the Plan Terms and Conditions for more information on early encashment.

What happens if Causeway Securities or James Brearley becomes insolvent?

Causeway Securities is responsible for designing, promoting and distributing the Plan and monitors the performance of the Plan throughout its term. James Brearley is the Administrator and Custodian of the Plan. Therefore when submitting an application to invest you will be agreeing to become a client of James Brearley. The client relationship will be between you as the client and James Brearley. James Brearley will be responsible for providing all documentation and making payments to clients from the application stage to maturity.

Causeway Securities is responsible for paying for the services of James Brearley for the on-going custody and administration of your investment, the cost of which is paid by Causeway Securities to James Brearley when you buy your Plan. This payment covers the services required from James Brearley to satisfy the regulatory and client requirements that a custodian/ administrator must provide for the full term of the Plan. As Causeway Securities never holds any of your money or your investment after your money is invested, your Plan will not be affected should Causeway Securities enter administration/liquidation. James Brearley as the custodian has responsibility for administering your investment on your behalf for the term of the Plan. Strict rules relating to the administration of client monies and assets dictate that there must be segregation between a client's holdings and that of the company acting as custodian. Therefore, should James Brearley encounter any financial difficulty, neither your money nor your investments should be affected. Your payment will be held in cash prior to the purchase of your investment and following its maturity.

During these periods your money will be held in a segregated client money bank account with an authorised and regulated Bank or Building Society. In the unlikely event that James Brearley enter administration during either the period prior to purchase of the securities or after the maturity of the Plan, your money will be returned to you by the insolvency practitioner. Should James Brearley enter administration during the term of the Plan the insolvency practitioner would facilitate the transfer of your investment to an alternative administrator and custodian. In the event of any shortfall in the client monies or the nominee position in relation to your investment held by James Brearley, under current regulation up to £85,000 will be covered for each investor by the Financial Services Compensation Scheme (FSCS). For more information, please refer to Clause 28 in the Plan Terms and Conditions.

All Applications are subject to anti-money laundering and other regulatory checks as appropriate and as determined by the Plan Administrator from time to time. You will be classified as a Retail Client in accordance with the FCA's Conduct of Business rules. An Application will not be acceptable if, in the Plan Administrator's reasonable opinion:
 - i. you are not eligible to hold a Plan;
 - ii. the Application is incomplete, needs clarification or the information provided is insufficient;
 - iii. any Application and/or Payment is received by the Plan Administrator after the close of the Subscription
 - iv. Period. If any such late Payment is a Transfer Amount then the Payment will be held pending your instructions.
- b. A Payment received without an Application can be held for no longer than 1 business day and in such a case, if the relevant Application is not received within 1 business day of the Payment being received, an electronic payment will be returned to the account from which it was paid, while a cheque will be returned to the bank branch on which it was drawn.
- c. The Plan Administrator reserves the right to close the Subscription Period early. For example, if sufficient Plan Payments are not received, the Plan is oversubscribed or if the Counterparty requires it as a result of changes to market conditions or changes to laws or regulations. If the Subscription Period is closed early and your Application is not accepted, the Plan Administrator will return your Payment to you.

Administrator & Custodian - Plan Terms and Conditions

- d. Where you wish to invest your Initial Capital in the Plan by transferring an ISA account to the Plan Administrator, please be aware that an ISA transfer can take up to 30 days or more to effect and that if, after deduction of any Adviser Fee, your Plan Payment is less than the minimum allowable, your Application will not be accepted and the Plan Administrator will hold your Payment in a James Brearley ISA until further instructions are received from you. The minimum allowable Plan Payment is detailed in the Brochure.
- e. You confirm that you are not relying on any advice (written or oral) from the Plan Administrator or the Plan Manager.

4. What we do with your Payment

- a. The Plan Administrator will record your Payment, including any Adviser Fee element, into a Cash Settlement Account within 1 Business Day from when it is received. Client money will be held by the Plan Administrator in one or more pooled deposit accounts called Client Money Accounts. A Client Money Account is a deposit account in which the funds of more than one client may be held.

In the unlikely event of a default by a UK Bank or Building Society, if there is an unreconciled shortfall in the money held in the Client Money Account, you may share in that shortfall in proportion to your original entitlement to money in the pool. You may be eligible for certain compensation under the Financial Services Compensation Scheme, as detailed in Clause 28-Compensation. This would also apply in the unlikely event that one of the banks with whom a portion of the Client Money Account is held, were to fail or default.

The Plan Administrator is not responsible for the default of any third party financial institution that it uses to hold cash under these Terms and Conditions.

- b. Once your Application has been accepted, on the Plan's Start Date any amount sent by you to pay an Adviser Fee will be debited from your Cash Settlement Account and credited to your adviser's account with the Plan Administrator. Once the Plan Administrator has deducted the amount of the Adviser Fee they will pay the Adviser Fee to your adviser.
- c. No interest is paid on the Initial Capital recorded in your Cash Settlement Account. Further details are set out below in clause 8.
- d. Under the terms of your Application, the Plan Administrator will use all of your Plan Payment as the Initial Capital investment in your Plan subject to your Plan Payment being greater than the Plan's minimum Initial Capital amount. If for any reason the Plan is not issued by the Counterparty, the Plan Administrator will return your Payment to you.

5. Investing your Initial Capital

- a. When investing your Initial Capital on your behalf into your Plan the Plan Administrator will take all reasonable steps to achieve the best result for you taking into account all relevant factors such as the price, costs, speed, likelihood of execution and settlement, size, nature or any consideration relevant to the execution of the order. However, due to the nature of the product all transactions will usually be with the Counterparty.
- b. The Plan Administrator undertakes to process your Application in a timely fashion and to arrange for the investment of your Initial Capital into the Plan.
- c. Should you instruct the Plan Administrator to encash your Plan prior to its Maturity Date, this will be handled as an Off-exchange transaction by the Counterparty. In such circumstances, in which transactions in the Plan are not governed by the rules of any investment exchange (either a regulated market or multi-lateral trading facility), the Plan Administrator undertakes to provide your encashment instruction to the Counterparty as defined in clause 9. You acknowledge that the Plan Administrator is reliant on the Counterparty to determine any amounts payable to you by way of encashment proceeds.

For the avoidance of doubt the Plan Administrator accepts no liability in respect of the Counterparty's failure to process your instruction to encash your Plan prior to the Maturity Date.

Administrator & Custodian - Plan Terms and Conditions

6. Your right to cancel

- a. When the Plan Administrator has received your Payment and accepted your Application they will send you in writing by email an acknowledgement incorporating a Cancellation Notice.
- b. If you decide to cancel your Application, you must send the completed Cancellation Notice to the Plan Administrator at the address set out in clause 26, to be received by the Plan Administrator prior to the Start Date.
- c. If the Plan Administrator receives your Cancellation Notice on or before the Start Date, they will cancel your Application for the Plan and you will receive a full refund of your Payment, less any Financial Adviser fee that you may have authorised and which may have been paid to your adviser, by electronic transfer. No charge will be applied by the Plan Administrator for the processing of your Cancellation Notice in these circumstances.
- d. If the Plan Administrator receives your Cancellation Notice after the Start Date but within 14 days of its receipt by you, the Plan Administrator will encash your Plan as defined in Clause 9.

The standard early encashment administration fee of £100 will not be applied in such circumstances.

- e. The return of monies to you following cancellation will be done once the Plan Administrator is certain of cleared funds having been received by them in respect of your Payment (banks and building societies may take up to ten business days to fully honour your Payment). Any monies due on cancellation will be returned to you by electronic transfer except where your Payment has come as a result of an ISA transfer, in such cases the monies will be retained in your ISA.

7. How your money is held

- a. Your money will be administered by the Administrator and Custodian of the Plan, James Brearley. Once you subscribe to this Plan and until it is returned, James Brearley will administer your money under the Financial Conduct Authority's client money rules. Under these rules your money is held in trust for you by James Brearley & Sons Ltd. You remain the beneficial owner of your money and the interest it accrues, even though James Brearley are administering it for the purposes of fulfilling the Plan. Before the Plan starts, during the offer period and up to the settlement date, your money is held by one or more financial institutions/banks assessed by James Brearley as being suitable for this purpose. On the Plan start date your Initial Capital is passed by James Brearley to the Deposit Taker specified in the Plan. When the Plan is redeemed the proceeds of the Plan will be transferred back to James Brearley by the Deposit Taker at which point it will be placed with one or more financial institutions/banks as assessed by them as suitable for this purpose. Thereafter it is available to be paid to you in accordance with your wishes.
- b. James Brearley enters into an agreement with both the Deposit Taker and each financial institution/bank that it deems suitable for holding client money. Under these agreements the Deposit Taker or financial institution/bank each acknowledge that, amongst other things, the account which James Brearley has opened with them is for the purposes of depositing money on behalf of clients. They also confirm that they do not have any recourse or right to offset any of the monies held in the account with any other account that James Brearley & Sons Limited may have with them. In the unlikely event that the Administrator and Custodian is unable to meet its financial obligations any shortfall in money due to you would be calculated under the rules applying to money held in trust under insolvency legislation. If such an eventuality were to occur, you may be eligible for compensation under the Financial Services Compensation Scheme.
- c. You may not charge, pledge or otherwise use your Plan as security for any loan or other obligation.
- d. The Plan will be held on your behalf until the Maturity Date, unless it is encashed early in accordance with these Terms and Conditions.

Administrator & Custodian - Plan Terms and Conditions

8. Administering your Plan

After the Start Date, the Plan Administrator will send you a confirmation note detailing the investment of your Initial Capital in your Plan. Subsequently the Plan Administrator will provide you with a quarterly report of your Plan as at the end of March, June, September and December, which will include a valuation and a statement of your Cash Settlement Account. You may elect for a Plan valuation report on a more regular basis, however the Administrator and Custodian may apply a charge for the deposition of such reports (£25 each).

Each May the Administrator and Custodian will provide you with a report of the income you have received over the previous tax year. This will include a consolidated tax certificate and supporting income schedules. Where appropriate they will also provide you with a capital gains report. There are no shareholders' or Investment-holders' mailing or voting rights applicable to your Plan. Valuations are available online via the Plan Administrator's Web Portal.

- b. All information will be provided in electronic format via email and/or via the Plan Administrator's Web Portal. The Web Portal is a secure online platform through which you can obtain a valuation or statement of account. You will be provided with secure access to the Web Portal and you are required to provide an email address when you complete your Application for the Plan.
- c. Where the Plan Administrator holds investments on your behalf in a General Investment Account, any dividends, interest or other income received in respect of those investments will automatically be remitted to you. Where held in an ISA, the entitlement will be allocated to your ISA Cash Account pending your instructions.
- d. Currently no interest will be paid on cash held in a Cash Settlement Account or ISA Cash Account, when these monies have been earmarked to fund a Plan investment.
- e. On the Maturity Payment Date, the Counterparty is required to pay the Maturity Payment on the Plan. Shortly after the Maturity Date, the Plan Administrator will write to you outlining the options available to you. The Plan Administrator will hold your Maturity Payment in your Cash Settlement Account or ISA Cash Account pending receipt of your written instructions. If they do not receive an instruction from you within 3 months of the Maturity Payment being credited to your Cash Settlement Account, then the prevailing balance will be remitted to you. This will be either to the bank details provided in your application form (or as subsequently updated) or by cheque if you have not supplied any bank details.
- f. Interest will be paid on the Maturity Payment until they receive a re-investment instruction, a withdrawal request or they remit the funds to you. Interest is calculated on a daily basis and paid monthly. The rate is stipulated in the Administrator & Custodian's Service Charge cards, a copy of which is available on request or can be accessed via their website at www.jbrearley.co.uk. An element of interest earned on Client Money will be retained by James Brearley.

9. Early encashment (Full or Part)

- a. The Plan is structured to be held until the Maturity Date.
- b. You may, however, subject to the consent of the Counterparty encash some or all of your Plan before the Maturity Date by providing the Plan Administrator with your written instruction to that effect. The Counterparty will apply an early encashment charge which will be calculated in a commercially reasonable manner which will depend on a number of prevailing factors and may include any costs reasonably incurred for breaking the funding arrangements entered into in relation to the Plan. You will also be charged an administration fee as set out below.
- c. For early encashment of your Plan (either in full or in part) before the Maturity Date you will be charged an administration fee of £100.

This administration fee will be included in the confirmation notice which will be issued within 1 business day of your encashment instruction being executed by the Counterparty.

Administrator & Custodian - Plan Terms and Conditions

- d. If the Plan Administrator receives your instruction to encash your Plan after the Start Date they will pass your encashment instruction to the Counterparty within 1 business day.

The Counterparty will then execute this instruction within 1 Business Day.

- e. The Plan Administrator will pay you the proceeds of the encashment of your Plan when they are received from the Counterparty or in accordance with the Settlement Date stated on the confirmation notice, whichever is the later date. The Settlement Date will be 2 Business Days from the date the Counterparty executes your encashment instruction. Encashment proceeds will be transferred into the bank or building society account you nominated within your Application or to the account that you have subsequently informed the Plan Administrator of in writing and that they have verified in line with their procedures. The Plan Administrator will only transfer monies from your Cash Settlement Account to a bank account in your name.
- f. Where the Plan Administrator has good reason to question the validity of an encashment instruction they will not process that encashment instruction until they have resolved all connected matters to their satisfaction.
- g. If you instruct the Plan Administrator to transfer money from your Cash Settlement Account to a non-sterling bank account you have nominated, the transfer will be made in sterling and the Plan Administrator will not pay any costs for currency conversion.

Transferring monies to anyone other than you will only be made on death (see clause 13) or when transferring to another ISA manager (see clause 11).

- h. Money transfers will not be made to individuals holding powers of attorney unless they operate a Cash Settlement Account as part of an account they already hold with the Plan Administrator.
- i. The Plan Administrator reserves the right to deduct any outstanding fees, charges or expenses from the amount due to you.
- j. If your Plan is held within an ISA there are certain circumstances where the Plan Administrator may no longer be able or willing to act as the Plan Administrator. Examples of these circumstances are:
- (i) HMRC removes its approval for the Plan Administrator to act as an ISA Manager;
 - (ii) the Plan Administrator is no longer qualified to act as an ISA Manager due to a change in applicable law or regulation; or
 - (iii) the Plan Administrator voluntarily ceases to be an ISA Manager.

If your Plan is held within an ISA and in the event that the Plan Administrator no longer acts as Plan Administrator, they will write to you giving you at least 30 calendar days' notice before any change is made, to let you know how it will affect the way your Plan is administered.

- k. If your Plan is held within an ISA it may become subject to the effect of changes to HMRC rules or other changes to legislation such that your Plan no longer qualifies as a Qualifying Investment capable of being held within an ISA. If such a circumstance arises the Plan Administrator will inform you of this and the options available to you.
- l. In the case of an ISA, you may terminate this arrangement by giving us notice in writing, requesting that we either transfer all Plan investments to you or to sell the Plan investments and remit the resulting proceeds to you. Termination of the ISA will be effective when written notice is received by us and all benefits and relief from tax will cease immediately.

10. Taxation

- a. If your Plan is held in an ISA you will not, under current tax rules, have to pay UK income tax or UK capital gains tax on any income or capital growth you receive from your Initial Capital investment in the Plan but any losses on your investment in the Plan will be ignored for the purposes of UK capital gains tax.

Administrator & Custodian - Plan Terms and Conditions

- a. These taxation statements are based on current tax legislation, regulation and practice. Such tax legislation, regulation and practice may be subject to change in the future and nothing in this Brochure constitutes tax advice.
- b. Where you receive interest gross, you will be responsible for accounting to HMRC for any tax due.
- d. You confirm that you have taken tax advice as appropriate to your circumstances in respect of the Plan and that you are not relying on any communication/advice (written or oral) from the Plan Administrator or the Plan Manager in this respect.

11. Transferring your ISA to an alternative ISA Manager

- l. Subject to the ISA Regulations, you have the right at any time to transfer your ISA to another ISA manager. For the Plan Administrator to arrange a transfer for you, you must submit a written instruction to the Plan Administrator with an appropriate letter of authority from your proposed ISA manager.
- m. If you wish to transfer your ISA to an alternative ISA Manager you should be aware that your Plan will be encashed in accordance with the procedures set out in clause 9. The Plan Administrator can only effect a transfer of your ISA in cash following the encashment of your Plan and it could take up to 30 calendar days or more to complete this.
- n. You will be charged an administration fee of £100 for the encashment of your Plan and arranging the transfer (as set out in clause 9).

12. Investment by Pension Scheme Trustees

Where a pension scheme trustee ("First Trustee") invests Initial Capital into a Plan and the scheme member to which the Plan relates subsequently transfers to another pension scheme trustee ("Second Trustee"), the Plan Administrator will seek to allow the re-registration of the Plan from the First Trustee to the Second Trustee by means of a simple re-registration agreement. This agreement will allow the First Trustee to relinquish all interest in the Plan and for the Plan Administrator to allow the Plan to be re-registered in the name of the Second Trustee who will become the Investor in the Plan on exactly the same terms as the First Trustee. The terms of the original Plan or these Terms and Conditions cannot be changed in any way on transfer between the pension scheme trustees.

13. Death

- a. In the case where the Initial Capital invested in a Plan is for more than one person (for example, a joint account, trustees) then unless agreed to the contrary in writing, the Plan Administrator shall treat all Plan Investors within a single account as Joint Tenants. This means that in the event of death, the Plan will pass to the surviving Investors within that single account. The Plan Administrator will continue to act in accordance with the previous Application unless they are given new instructions by the surviving Investors
- b. Where the Plan is held in an ISA, it may remain within an ISA and benefit from its tax benefits for up to a maximum of 3 years from your date of death, or until we receive instructions from the administrators of your estate.
- c. If the Plan is held in your sole name and the Plan Administrator receives proof of your death, their service to you will cease. However, they will continue to administer your Plan and cash. The Plan Administrator will then follow the instructions of your personal representatives (for example, the executors of your will). For administrative purposes, the Plan Administrator will establish a new account in the name of your personal representatives which will also be governed by these Terms and Conditions.
- d. Should your executors elect to encash the Plan, the amount they receive will be subject to the early encashment charge applied by the Counterparty (see clause 9(a)). They will also be subject to a total administration fee of £100. No fee is charged if the Plan is assigned to a beneficiary and remains in force until the Maturity Date.
- e. If your executors require a valuation of your Plan for probate purposes, a fee of £50+ VAT is payable to the Plan Administrator.
- f. The total value of your Plan forms part of your estate for inheritance tax purposes.

Administrator & Custodian - Plan Terms and Conditions

- a. If your executors require a Plan to be assigned to a beneficiary the Plan Administrator will require verification of the identity of the new Plan holder in line with clause 25.

14. Plan Charge

A Plan Charge has already been taken into account in the terms of your Plan. This Plan Charge is used to meet the Plan Manager's design and distribution costs and the Plan Administrator's administration costs and is disclosed in the Brochure.

15. Other Fees and Charges

- a. During the course of administering your Plan the Plan Administrator may utilise the services of third parties. Should those third parties charge fees for their work that fee will be passed on to you.
- b. The Plan Administrator reserves the right to introduce an additional charge in the future to cover any additional expenses incurred by them for a valid reason, for example:
 - i. to take account of significant regulatory change or material events outside their control such as but not limited to the collapse, bankruptcy or liquidation of a Counterparty; or
 - ii. to allow them to administer your Plan more effectively.

No such additional charge will be introduced by the Plan Administrator without giving you 90 calendar days' written notice.

If you are not in agreement with such a charge, you may be able to encash your Plan in accordance with clause 9.

- c. A fee to your financial adviser will only be paid on the basis of an agreement reached between you and your financial adviser. No fees or commissions can be paid to your financial adviser unless you have agreed the amount to be paid in writing. See clause 16.
- d. If you fail to pay the Plan Administrator what you owe to them they may retain any money, investment or other asset due to you and on providing you with notification, they may encash part or all of your Plan to offset your debt. In such circumstances the Plan Administrator will not be liable to you for any loss (or loss of opportunity) you may suffer as a result of their action to encash your Plan.
- e. Where you owe the Plan Administrator money they will apply, and you will pay, interest at 4% over the base rate of the Bank of England in place at the time.

16. Adviser Fee

- a. You may instruct the Plan Administrator to pay an Adviser Fee from the Payment you send them as part of your Application. The amount of the Adviser Fee must be included in your Application. Any Adviser Fee you instruct the Plan Administrator to pay will not be treated as part of your current tax year's ISA Allowance.
- b. Any Adviser Fee will be deducted from your Payment once your Application Form has been processed by the Plan Administrator.
- c. You should inform the Plan Administrator of any change of financial adviser to enable them to keep their records up to date.

17. Extraordinary Circumstances, Disruption and Adjustments

- a. The Plan Administrator and the Plan Manager will perform their obligations set out in these Terms and Conditions unless events outside their reasonable control prevent or restrict them from doing so, some examples of which are set out below.

Administrator & Custodian - Plan Terms and Conditions

If such an event occurs, one consequence may be that monies due to you are reduced or delayed. If such an event occurs, the Plan Administrator will use due care when considering how to respond and their response will be fair and proportionate. Neither the Plan Administrator nor the Plan Manager will accept any liability for any failure or delay in the performance of their obligations as described in the Brochure or these Terms and Conditions caused by such an event but the Plan Administrator and the Plan Manager will use all reasonable efforts to minimise any adverse impact on you and your Plan as far as they reasonably can and if you are being disadvantaged the Plan Administrator will tell you as soon as possible. How quickly the Plan Administrator is able to notify you will depend on the severity of the event.

Examples are:

- Strikes, lockouts or other industrial action;
 - Civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war or the threat or preparation for war;
 - Fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster;
 - Restrictions imposed by legislation, regulation or other governmental initiatives that are not a result of misconduct;
 - Recession or significant economic collapse of a market or country;
 - Failure of transport networks or other external utilities (for example telecommunications networks, water or power) leading to unavoidable disruption;
 - The suspension, limitation or material disruption of trading of any Underlying;
 - The exchanges on which any Underlying is traded failing to open for trading or closing early; or
 - The level of any Underlying is not calculated or published.
- b. Adjustment events can arise for different reasons and may affect a stock market, an index or an individual company. Should any of the companies underlying the Plan experience an event of the nature of the examples below which has or may have a diluting or concentrating effect on the value of its shares, the Counterparty or one of its affiliates may at its sole and absolute discretion and in good faith, determine whether any adjustment to the terms and conditions of the Plan is required. Any adjustment could include the amendment of the Opening Level, removal or substitution of the affected company, or even bring forward the Maturity Date of the Investment. Examples which may constitute an adjustment event include but are not limited to insolvency, suspension, delisting, a rights issue, a merger with or takeover by another company and nationalisation. As soon as practical, the Plan Administrator will advise you of any adjustment to be made to the terms and conditions of the Plan. The terms of the Plan contain provisions which may result in adjustments to the calculation of your entitlement and/ or the timing of such calculation as a result of extraordinary circumstances, disruption or certain adjustment events.
- c. Any allocation of monies due to you in connection with your Plan is dependent on the Plan Administrator receiving monies from the Counterparty in accordance with the terms of the Plan. Depending on the event, you may have to wait longer for the Maturity Payment than the Maturity Payment Date. In the case that the Maturity Date of the Plan is brought forward due to extraordinary circumstances the amount you receive back may be subject to an early encashment charge applied by the Counterparty which will be calculated in a commercially reasonable manner which will depend on a number of prevailing factors and may include any costs reasonably incurred for breaking the funding arrangements entered into in relation to the Plan.

18. Counterparty and other risks

- a. During the term of the Plan you are exposed to the credit risk of the Counterparty and the risk that the Counterparty fails to pay back the Initial Capital, including any return, which is defined under the terms of the Plan. If, for whatever reason, the Counterparty does not meet the terms of the Plan, this will affect what you will get back from the Plan and you could lose some or all of your original investment and some or all of the expected return. Neither the Plan Administrator nor the Plan Manager is responsible if the Counterparty does not comply with the terms of the Plan.
- b. If the Counterparty is unable to comply with the terms of the Plan because a change in the law means that to do so would be illegal or impractical the Plan may be forced to bring forward the Maturity date. In these circumstances, the Plan may pay out less than expected, or even nothing.

Administrator & Custodian - Plan Terms and Conditions

19. Conflicts of interests

During the term of your Plan conflicts of interest may arise between you, the Plan Administrator or their employees, the Plan Manager or their employees, other Plan holders, or associated companies or representatives. To ensure that all Investors are treated consistently and fairly, the Plan Administrator is required to have a policy on how to identify and manage these conflicts. A summary of the policy is detailed below. A copy of the full policy is available on request from the Plan Administrator using the details contained in clause 26. The Plan Administrator:

- a. will consider the interests of all customers and treat them fairly;
- b. will manage conflicts of interest fairly to ensure that all customers are treated consistently and to prevent any conflict of interest giving rise to a material risk of damage to the interests of customers;
- c. have in place procedures to ensure that employees identify and report any new conflicts;
- d. will keep a written record of any conflicts or potential conflicts;
- e. if appropriate, will disclose any relevant conflict to a customer before undertaking business with them;
- f. will ensure new business developments identify any new conflicts of interest.

This policy applies to any person or company to whom the Plan Administrator delegates any of their responsibilities.

20. Delegation

The Plan Administrator and the Plan Manager may delegate any of their duties under these Terms and Conditions to any Group company or other agent and may provide them with information about you and your Plan and you agree that they may do so. However, the Plan Administrator and Plan Manager will remain liable to you for the performance of any delegated matters.

The Plan Administrator and the Plan Manager shall only delegate their duties under these Terms and Conditions where it is permitted by law and regulations. In any event, neither the Plan Administrator nor the Plan Manager will delegate unless they are satisfied that the person or company to whom they delegate any of their duties is competent to carry them out.

21. Assignment

Your agreement to these Terms and Conditions and the Application is personal to you and cannot be assigned to anyone else. The Plan Administrator may appoint another company to be the Plan Administrator of your Plan under these Terms and Conditions providing 30 calendar days' notice has been given to you. The new Plan Administrator must be approved to act as an ISA Manager by HMRC.

- b. You also authorise the Plan Administrator to transfer information you provide on your Application (or subsequently) to the Plan Manager. They will only use such data for purposes ancillary to their role as Plan Manager, including but not limited to hedge management, dealing with queries, fulfilling their regulatory obligations, statistical analysis and marketing on the Plan's maturity.
- c. Where a financial adviser acts on your behalf, The Plan Administrator will disclose information concerning your Plan to that financial adviser.

23. Liability

- a. Neither the Plan Manager nor the Plan Administrator gives any warranty as to the performance or profitability of your Plan. You must be aware that the price of investments can go down as well as up and that there are both investment and counterparty risks attached to market linked investments. You may not get back the amount of Initial Capital invested. You are reminded that past performance is no guarantee or indicator of future returns. In the event of any failure, interruption or delay in the performance of the Plan Administrator's or the Plan Manager's obligations resulting from any event or circumstance not reasonably within their control, neither the Plan Administrator nor the Plan Manager shall be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.
- b. Neither the Plan Administrator nor the Plan Manager will be liable or have any responsibility of any kind for any loss or damage you suffer as a result of any failure, interruption or delay in carrying out their obligations resulting from:
 - Breakdown or failure of any telecommunications or computer service;
 - Failure of people other than the Plan Administrator or the Plan Manager to carry out their obligations;
 - Acts of governments or international authorities;
 - Any other significant or material event or circumstance that is not reasonably within their control when they have made all reasonable efforts to minimise the consequences of such events.

24. Changes to these Terms and Conditions

The Plan Administrator or the Plan Manager may make fair and reasonable changes to these Terms and Conditions at any time by giving you at least 30 calendar days' prior written notice (or for changes to the fees at least 90 calendar days' notice) provided that such variations or changes are permitted by the Financial Conduct Authority. Changes will only be made for good reasons as follows:

- to make these terms clearer or more favourable to you;
- to reflect legitimate increases or reductions in the cost of administering your Plan for you, which include:
 - changes to the basis of taxation applicable to your Plan or to the Plan Administrator in connection with your Plan;
 - costs associated with changes in staff, support services, technology or systems;
- to comply with applicable law, regulation, judgment of any court, regulator or ombudsman or any regulatory guidance or codes;
- to reflect a change in the Plan Administrator's corporate structure that does not have an unfavourable impact on your Plan;
- to provide for the introduction of new or improved systems, services or facilities;
- to correct any mistake that may be discovered;
- to reflect any extraordinary circumstances.

If you are unhappy with any change that is made to these Terms and Conditions you can encash your Plan (see clause 9).

25. Why do I need to prove my Identity?

The Plan Administrator is required to have in place procedures to guard against money laundering and terrorist financing. An important part of these procedures is the verification of the identity of all new investors. For individuals, this may include an electronic identity check via a referencing agency who may keep a record of the check. Instead, or in addition to an electronic check, you may be asked to provide original or certified copies of documents which evidence your identity. For entities (companies, trusts, etc.) the Plan Administrator will request documentary evidence of identity. Where documents are requested from you, these should be provided as soon as possible. If the Plan Administrator is unable to verify your identity or they are not satisfied that your identity has been verified, they may terminate these Terms and Conditions and withdraw all services provided.

26. Notices or Requests

- a. The Plan Administrator will send all communications to you electronically to the e-mail address recorded for you or to the secure mailbox within the Plan Administrators Web Portal. As such you should ensure that the Plan Administrator has a valid e-mail address for you at all times.
- b. The Plan Administrator will only carry out instructions if they are from you or your authorised representatives. The Plan Administrator will only act on verbal or written instructions. Before verbal instructions given over the telephone can be accepted, the Plan Administrator may ask you or your representative some questions for security purposes. Written instructions will require an original signature.
- c. Where the Plan is held by more than one person (for example, a joint account, trustees etc.) the Plan Administrator will accept and act upon instructions from any one person as if the instruction had been given by all Plan holders. In all cases the liability of all Plan holders will be joint and several. Should a dispute arise between the persons connected to the Plan, you should inform the Plan Administrator in writing and they will then only act on the instructions of all persons jointly. Should all persons connected to the Plan subsequently confirm in writing that the dispute has been resolved the Plan Administrator shall go back to accepting and acting upon instructions from any one person.
- d. You should send any notices, instructions, or requests for further information, to the Plan Administrator at:

Outsourced Administration

PO Box 34,
Unit 2,
Burton Road,
Blackpool,
FY4 4WX.

or to such other address that the Plan Administrator tells you about in the future.

- b. If you have a complaint about the Plan Manager, you should write to the Complaints Officer, at Dax House, 18-22 Howard Street, Belfast, BT1 6PA, United Kingdom. The Plan Manager will provide details of their complaints procedure upon request, or automatically in the event that you make a complaint that is not satisfactorily resolved.
- c. If you are not satisfied with the manner in which your complaint is addressed, you may be able to refer your complaint to The Financial Ombudsman Service at South Quay Plaza, 183 Marsh Wall, London, E14 9SR. Making a complaint will not prejudice your right to take legal proceedings. More information on how to complain can be found on the Financial Ombudsman Services website: www.financial-ombudsman.org.uk or by calling them on 0800 023 4567.
- d. Should your complaint relate to any aspect of the service provided by the Counterparty, you should send the details of your complaint to the Plan Administrator who will refer your complaint to the Counterparty.

28. Compensation

- a. In the event that the Plan Administrator collapses, becomes bankrupt or goes into liquidation and cannot fulfil their obligations to you or return your investment, you may be entitled to compensation under the Financial Services Compensation Scheme (FSCS). Details of your rights under this scheme are available on request and further information is available either from the FCA or the FSCS direct.

Administrator & Custodian - Plan Terms and Conditions

Their websites are www.fca.org.uk and www.fscs.org.uk respectively. For your Plan the maximum amount of compensation available from the FSCS in the event of the Plan Administrator's insolvency is presently £85,000, subject to you being able to meet the conditions for eligibility to claim.

- b. In the event that the Counterparty collapses, becomes bankrupt or goes into liquidation and cannot fulfil their obligations to you in the return of your Plan investment, you will be covered by the Financial Services Compensation Scheme (FSCS). The present level of cover is £85,000, subject to you being able to meet the conditions for eligibility to claim.
- c. In the event that the Plan Manager collapses, becomes bankrupt or goes into liquidation there should be no threat to your Plan as the Plan Manager only provides services connected to your Plan as defined in these Terms and Conditions and does not physically hold any Plan investments on your behalf.
- d. Prior to the Plan's trade date your Initial Capital will be held in accordance with FCA client money rules with one or more authorised Banks or Building Societies. Each institution holding client money will be a member of the FSCS or equivalent where the compensation is governed by a scheme in place in the non UK institution's home state. In the event of the default of the institution, and if you are an eligible claimant under the FSCS compensation scheme rules, you may be entitled to compensation of currently up to £85,000. The current £85,000 compensation limit is the maximum amount of compensation that you can claim per institution and per Deposit/Plan. If you hold your cash or other assets with the same institution you cannot make separate claims for each holding. A single banking license may apply to one or more, e.g. the parent and its subsidiary companies. You can only claim £85,000 across all institutions operating under a single license.
- e. You will not be eligible to make a claim to or be entitled to compensation from the FSCS if the performance of the Plan and/or the Underlyings is poor.

29. Your obligations

Changes to your Personal Information and Account Security.

You agree to inform the Plan Administrator without delay of any change in your circumstances or status, including in particular any change of address, name, bank account or residency status or change of your financial adviser in line with the Plan Administrator's procedures. The Plan Administrator shall not be responsible for any consequences of your failure to notify them of a change in respect of your personal information. Where the Plan Administrator does not have an up to date address for you, they may make enquiries to identify your new address and reclaim the cost of tracing your new address. To this end, they may need to share your details with trusted external parties. You will keep any account security information, username, passwords or system access codes secure. If you become aware that anyone has your password without having your authority to use it, you should inform the Plan Administrator as soon as possible. You will be responsible for keeping secure any usernames and passwords relating to online services provided to you by the Plan Administrator. You should take care to ensure that any information about you which may be used as part of our security checks is also kept secure.

- c. The Plan Administrator will always communicate with you in English.

Administrator & Custodian - Plan Terms and Conditions

- d. All communications from the Plan Administrator will normally be by email but they may communicate by letter or telephone. For your protection, telephone calls may be recorded and the Plan Administrator may refer to the recordings should there be any confusion or dispute in respect of an instruction, a transaction or conversation connected to your Plan. The Plan Administrator may be required to make the recordings of our conversations available to third parties such as the FCA.
- e. No particular meaning should be attributed to the use of upper or lower case letters in relation to whether a term is defined or not. The singular includes the plural and vice versa.

31. Entire Terms

These Terms and Conditions, the remainder of the Brochure and the completed Application constitute the entire terms on which the Plan is provided to you and administered for you. Nothing in these Terms and Conditions will avoid any responsibilities the Plan Administrator and the Plan Manager have either, under the Financial and Services Market Act 2000 and the FCA's rules, for death or personal injury caused by their negligence, for fraud (including fraudulent misrepresentation) or any other liability which is unlawful to exclude or attempt to exclude under the law of England and Wales.

Important Information

Your Plan is not a guaranteed investment. Returns depend on your Initial Capital investment with the Counterparty and in the event of the Counterparty being unable to meet its obligations the returns may fall short of those mentioned.

Returns are dependent on the Plan being held until the Maturity Date. The value of your Plan may fall as well as rise and is not guaranteed.

Returns are based on the understanding of current tax rules in the United Kingdom, which are subject to change. Your liability to tax (if any) will depend on your individual circumstances.
